It is respectfully requested that the Patent and Trademark Office evaluate the above patents and to arrive at an independent assessment of their materiality, if any, with regard to the examination and patentability of the application.

In reviewing the enclosed copy of the above foreign publication, the Examiner is requested to ignore any underscoring or highlighting which may appear because such markings may or may not have any relationship to the subject matter of the above-identified application. The copy being submitted with this Information Disclosure Statement is the best copy available at this time.

An examination of the present application considering the above documents is requested.

Respectfully submitted,
